

An important note to all econext Conference 2021 attendees regarding COVID-19

To help prevent the spread of COVID-19, econext will be complying with the Special Measures Orders issued by the Chief Medical Officer of Health, and will be following all other relevant COVID-19 guidance materials in place.

We remind you to:

- Practice physical distancing from those who are not your close, consistent contacts;
- Wash your hands often;
- Cover coughs and sneezes;
- Wear your non-medical mask;
- Use the hand sanitizer provided before entering the main conference room;
- Stay at home if you are sick or have COVID-19 symptoms; and
- Avoid sharing food or utensils.

Please have your [NLVaxPass app](#) downloaded onto your phone, set up with your records, and ready to be scanned at the hotel entrance. Hotel staff will be scanning your app and admitting you into the building upon proof of double vaccination. If you do not have the app, please come with a printed copy of your vaccination records and an ID. Due to provincial and hotel regulations, **you will be unable to enter the premises if you do not have either of the two.**

Once you have registered and picked up your name tag, **please select a seat that you plan on using for the remainder of the day.** When it's time for breaks and lunch, all food is either individually wrapped or stationed and served by hotel staff. We encourage you to grab your meal and **return to your seat to eat.** Please do not handle food you do not plan on taking.

Thank you for your cooperation. We are excited to see you and hope you will help us in making our event as safe as possible!
