One (1) conference registration for member of your team and opportunity to set up booth display

# Pre-Conference Social

---

## The Opportunity

---

*econext's* Pre-Conference Social is the pre-eminent networking event for professionals in the clean growth sectors. It attracts a diverse crowd of stakeholders, and provides an opportunity to meet fellow conference delegates in a casual setting.

As a partner for this event, you would have a captive audience for your organization and staff to connect with directly about your objectives and how you can help them accelerate towards clean growth.

# The Investment

Pre-Conference Social partners are provided more flexibility in the investment based on their input. There are two options provided:

## Option 1

The Partner chooses the venue and the menu, and agrees to assume 50% of all related event costs with *econext* covering the other 50%

## Option 2

The Partner provides an investment of \$2000.00, and *econext* staff select the venue and menu

# Benefits

Five minutes of speaking time to address attendees

Logo and branding displays at the chosen venue

Featured advertising as a conference partner on all direct communication with membership including newsletters, and through social media pre- and post-event

The one-on-one support of *econext* staff in the planning and execution of the event

## Contact

*econext* staff are happy to discuss additional partnership opportunities, as well as those outlined in this guide, at your convenience. For further information, contact:
